If the receiving Office does not receive, within the applicable time limit under Rule 20.7, a correction or confirmation referred to in Rule 20.3(a), or if a correction or confirmation has been received but the application still does not fulfill the requirements of Article 11(1), the receiving Office shall:

- (ii) to confirm, in accordance with Rule 20.6(a), that the part was incorporated by reference under Rule 4.18;

and to make observations, if any, within the applicable time limit under Rule 20.7. If that time limit expires after the expiration of 12 months from the filing date of any application whose priority is claimed, the receiving Office shall call that circumstance to the attention of the applicant.

(b) Where, following an invitation under paragraph (a) or otherwise, the applicant furnishes to the receiving Office, on or before the date on which all of the requirements of Article 11(1) are fulfilled but within the applicable time limit under Rule 20.7, a missing part referred to in paragraph (a) so as to complete the international application, that part shall be included in the application and the receiving Office shall accord as the international filing date the date on which all of the requirements of Article 11(1) are fulfilled and proceed as provided in Rule 20.2(b) and (c).

(c) Where, following an invitation under paragraph (a) or otherwise, the applicant furnishes to the receiving Office, after the date on which all of the requirements of Article 11(1) were fulfilled but within the applicable time limit under Rule 20.7, a missing part referred to in paragraph (a) so as to complete the international application, that part shall be included in the application, and the receiving Office shall correct the international filing date to the date on which the receiving Office received that part, notify the applicant accordingly and proceed as provided for in the Administrative Instructions.

(d) Where, following an invitation under paragraph (a) or otherwise, a part referred to in paragraph (a) is, under Rule 20.6(b), considered to have been contained in the purported international application on the date on which one or more elements referred to in Article 11(1)(iii) were first received by the receiving Office, the receiving Office shall accord as the international filing date the date on which all of the requirements of Article 11(1) are fulfilled and proceed as provided in Rule 20.2(b) and (c).

(e) Where the international filing date has been corrected under paragraph (c), the applicant may, in a notice submitted to the receiving Office within one month from the date of the notification under paragraph (c), request that the missing part concerned be disregarded, in which case the missing part shall be considered not to have been furnished and the correction of the international filing date under that paragraph shall be considered not to have been made, and the receiving Office shall proceed as provided for in the Administrative Instructions.

20.6 *Confirmation of Incorporation by Reference of Elements and Parts*

(a) The applicant may submit to the receiving Office, within the applicable time limit under Rule 20.7, a written notice confirming that an element or part is incorporated by reference in the international application under Rule 4.18, accompanied by:

(ii) where the applicant has not already complied with Rule 17.1(a), (b) or (b-bis) in relation to the priority document, a copy of the earlier application as filed;

(iii) where the earlier application is not in the language in which the international application is filed, a translation of the earlier application into that language or, where a translation of the international application is required under Rule 12.3(a) or 12.4(a), a translation of the earlier application into both the language in which the international application is filed and the language of that translation; and

(iv) in the case of a part of the description, claims or drawings, an indication as to where that part is contained in the earlier application and, where applicable, in any translation referred to in item (iii).

(b) Where the receiving Office finds that the requirements of Rule 4.18 and paragraph (a) have been complied with and that the element or part referred to in paragraph (a) is completely contained in the earlier application concerned, that element or part shall be considered to have been contained in the purported international application on the date on which one or more elements referred to in Article 11(1)(iii) were first received by the receiving Office.

(c) Where the receiving Office finds that a requirement under Rule 4.18 or paragraph (a) has not been complied with or that the element or part referred to in paragraph (a) is not completely contained in the earlier application concerned, the receiving Office shall proceed as provided for in Rule 20.3(b)(i), 20.5(b) or 20.5(c), as the case may be.

The information received shall be promptly published by the International Bureau in the Gazette.

26bis.1 Correction or Addition of Priority Claim

(a) The applicant may correct a priority claim or add a priority claim to the request by a notice submitted to the receiving Office or the International Bureau within a time limit of 16 months from the priority date or, where the correction or addition would cause a change in the priority date, 16 months from the priority date as so changed, whichever 16-month period expires first, provided that such a notice may be submitted until the expiration of four months from the international filing date. The correction of a priority claim may include the addition of any indication referred to in Rule 4.10.

(b) and (c) [No change]

26bis.2 Defects in Priority Claims

(a) Where the receiving Office or, if the receiving Office fails to do so, the International Bureau, finds in relation to a priority claim:

- (i) that the international application has an international filing date which is later than the date on which the priority period expired and that a request for restoration of the right of priority under Rule 26bis.3 has not been submitted;
- (ii) that the priority claim does not comply with the requirements of Rule 4.10; or
- (iii) that any indication in the priority claim is inconsistent with the corresponding indication appearing in the priority document;

the receiving Office or the International Bureau, as the case may be, shall invite the applicant to correct the priority claim. In the case referred to in item (i), where the international filing date is within two months from the date on which the priority period expired, the receiving Office or the International Bureau, as the case may be, shall also notify the applicant of the possibility of submitting a request for the restoration of the right of priority in accordance with Rule 26bis.3, unless the receiving Office has notified the International Bureau under Rule 26bis.3(j) of the incompatibility of Rule 26bis.3(a) to (i) with the national law applied by that Office.

(b) If the applicant does not, before the expiration of the time limit under Rule 26bis.1(a), submit a notice correcting the priority claim, that priority claim shall, subject to paragraph (c), for the purposes of the procedure under the Treaty, be considered not to have been made (“considered void”) and the receiving Office or the International Bureau, as the case may be, shall so declare and shall inform the applicant accordingly. Any notice correcting the priority claim which is received before the receiving Office or the International Bureau, as the case may be, so declares and not later than one month after the expiration of that time limit shall be considered to have been received before the expiration of that time limit.

26.5 *Decision of the Receiving Office*

The receiving Office shall decide whether the applicant has submitted the correction within the applicable time limit under Rule 26.2, and, if the correction has been submitted within that time limit, whether the international application so corrected is or is not to be considered withdrawn, provided that no international application shall be considered withdrawn for lack of compliance with the physical requirements referred to in Rule 11 if it complies with those requirements to the extent necessary for the purpose of reasonably uniform international publication.

26.6 [Deleted]

[Rule 26bis.2, continued]

(c) A priority claim shall not be considered void only because:

(i) the indication of the number of the earlier application referred to in Rule 4.10(a)(ii) is missing;

(ii) an indication in the priority claim is inconsistent with the corresponding indication appearing in the priority document; or

(iii) the international application has an international filing date which is later than the date on which the priority period expired, provided that the international filing date is within the period of two months from that date.

(d) Where the receiving Office or the International Bureau has made a declaration under paragraph (b) or where the priority claim has not been considered void only because paragraph (c) applies, the International Bureau shall publish, together with the international application, information concerning the priority claim as prescribed by the Administrative Instructions, as well as any information submitted by the applicant concerning such priority claim which is received by the International Bureau prior to the completion of the technical preparations for international publication. Such information shall be included in the communication under Article 20 where the international application is not published by virtue of Article 64(3).

(e) Where the applicant wishes to correct or add a priority claim but the time limit under Rule 26bis.1 has expired, the applicant may, prior to the expiration of 30 months from the priority date and subject to the payment of a special fee whose amount shall be fixed in the Administrative Instructions, request the International Bureau to publish information concerning the matter, and the International Bureau shall promptly publish such information.

26bis.3 Restoration of Right of Priority by Receiving Office

(a) Where the international application has an international filing date which is later than the date on which the priority period expired but within the period of two months from that date, the receiving Office shall, on the request of the applicant, and subject to paragraphs (b) to (g) of this Rule, restore the right of priority if the Office finds that a criterion applied by it ("criterion for restoration") is satisfied, namely, that the failure to file the international application within the priority period:

(i) occurred in spite of due care required by the circumstances having been taken;
or

(ii) was unintentional.

Each receiving Office shall apply at least one of those criteria and may apply both of them.

[Rule 26bis.3, continued]

(b) A request under paragraph (a) shall:

(i) be filed with the receiving Office within the time limit applicable under paragraph (e);

(ii) state the reasons for the failure to file the international application within the priority period; and

(iii) preferably be accompanied by any declaration or other evidence required under paragraph (f).

(c) Where a priority claim in respect of the earlier application is not contained in the international application, the applicant shall submit, within the time limit applicable under paragraph (e), a notice under Rule 26bis.1(a) adding the priority claim.

(d) The submission of a request under paragraph (a) may be subjected by the receiving Office to the payment to it, for its own benefit, of a fee for requesting restoration, payable within the time limit applicable under paragraph (e). The amount of that fee, if any, shall be fixed by the receiving Office.

(e) The time limit referred to in paragraphs (b)(i), (c) and (d) shall be two months from the date on which the priority period expired, provided that, where the applicant makes a request for early publication under Article 21(2)(b), any request under paragraph (a) or any notice referred to in paragraph (c) submitted, or any fee referred to in paragraph (d) paid, after the technical preparations for international publication have been completed shall be considered as not having been submitted or paid in time.

(f) The receiving Office may require that a declaration or other evidence in support of the statement of reasons referred to in paragraph (b)(iii) be filed with it within a time limit which shall be reasonable under the circumstances. The applicant may furnish to the International Bureau a copy of any such declaration or other evidence filed with the receiving Office, in which case the International Bureau shall include such copy in its files.

(g) The receiving Office shall not refuse, totally or in part, a request under paragraph (a) without giving the applicant the opportunity to make observations on the intended refusal within a time limit which shall be reasonable under the circumstances. Such notice of intended refusal by the receiving Office may be sent to the applicant together with any invitation to file a declaration or other evidence under paragraph (f).

(h) The receiving Office shall promptly:

(i) notify the International Bureau of the receipt of a request under paragraph (a);

(ii) make a decision upon the request;

(iii) notify the applicant and the International Bureau of its decision and the criterion for restoration upon which the decision was based.

[Rule 26bis.3, continued]

(i) Each receiving Office shall inform the International Bureau of which of the criteria for restoration it applies and of any subsequent changes in that respect. The International Bureau shall promptly publish such information in the Gazette.

(j) If, on October 5, 2005, paragraphs (a) to (i) are not compatible with the national law applied by the receiving Office, those paragraphs shall not apply in respect of that Office for as long as they continue not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by April 5, 2006. The information received shall be promptly published by the International Bureau in the Gazette.

Effect of Restoration of Right of Priority by Receiving Office;
Restoration of Right of Priority by Designated Office

49ter.1 Effect of Restoration of Right of Priority by Receiving Office

(a) Where the receiving Office has restored a right of priority under Rule 26bis.3 based on a finding by it that the failure to file the international application within the priority period occurred in spite of due care required by the circumstances having been taken, that restoration shall, subject to paragraph (c), be effective in each designated State.

(b) Where the receiving Office has restored a right of priority under Rule 26bis.3 based on a finding by it that the failure to file the international application within the priority period was unintentional, that restoration shall, subject to paragraph (c), be effective in any designated State whose applicable national law provides for restoration of the right of priority based on that criterion or on a criterion which, from the viewpoint of applicants, is more favorable than that criterion.

(c) A decision by the receiving Office to restore a right of priority under Rule 26bis.3 shall not be effective in a designated State where the designated Office, a court or any other competent organ of or acting for that designated State finds that a requirement under Rule 26bis.3(a), (b)(i) or (c) was not complied with, taking into account the reasons stated in the request submitted to the receiving Office under Rule 26bis.3(a) and any declaration or other evidence filed with the receiving Office under Rule 26bis.3(b)(iii).

(d) A designated Office shall not review the decision of the receiving Office unless it may reasonably doubt that a requirement referred to in paragraph (c) was complied with, in which case the designated Office shall notify the applicant accordingly, indicating the reasons for that doubt and giving the applicant an opportunity to make observations within a reasonable time limit.

(e) No designated State shall be bound by a decision of the receiving Office refusing a request under Rule 26bis.3 for restoration of the right of priority.

(f) Where the receiving Office has refused a request for the restoration of the right of priority, any designated Office may consider that request to be a request for restoration submitted to that designated Office under Rule 49ter.2(a) within the time limit under that Rule.

(g) If, on October 5, 2005, paragraphs (a) to (d) are not compatible with the national law applied by the designated Office, those paragraphs shall not apply in respect of that Office for as long as they continue not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by April 5, 2006. The information received shall be promptly published by the International Bureau in the Gazette.

49ter.2 Restoration of Right of Priority by Designated Office

(a) Where the international application claims the priority of an earlier application and has an international filing date which is later than the date on which the priority period expired but within the period of two months from that date, the designated Office shall, on the request of the applicant in accordance with paragraph (b), restore the right of priority if the Office finds that a criterion applied by it (“criterion for restoration”) is satisfied, namely, that the failure to file the international application within the priority period:

- (i) occurred in spite of due care required by the circumstances having been taken;
or
- (ii) was unintentional.

Each designated Office shall apply at least one of those criteria and may apply both of them.

(b) A request under paragraph (a) shall:

(i) be filed with the designated Office within a time limit of one month from the applicable time limit under Article 22;

(ii) state the reasons for the failure to file the international application within the priority period and preferably be accompanied by any declaration or other evidence required under paragraph (c); and

(iii) be accompanied by any fee for requesting restoration required under paragraph (d).

(c) The designated Office may require that a declaration or other evidence in support of the statement of reasons referred to in paragraph (b)(ii) be filed with it within a time limit which shall be reasonable under the circumstances.

(d) The submission of a request under paragraph (a) may be subjected by the designated Office to the payment to it, for its own benefit, of a fee for requesting restoration.

(e) The designated Office shall not refuse, totally or in part, a request under paragraph (a) without giving the applicant the opportunity to make observations on the intended refusal within a time limit which shall be reasonable under the circumstances. Such notice of intended refusal may be sent by the designated Office to the applicant together with any invitation to file a declaration or other evidence under paragraph (c).

(f) Where the national law applicable by the designated Office provides, in respect of the restoration of the right of priority, for requirements which, from the viewpoint of applicants, are more favorable than the requirements provided for under paragraphs (a) and (b), the designated Office may, when determining the right of priority, apply the requirements under the applicable national law instead of the requirements under those paragraphs.

(g) Each designated Office shall inform the International Bureau of which of the criteria for restoration it applies, of the requirements, where applicable, of the national law applicable in accordance with paragraph (f), and of any subsequent changes in that respect. The International Bureau shall promptly publish such information in the Gazette.

[Rule 49ter.2, continued]

(h) If, on October 5, 2005, paragraphs (a) to (g) are not compatible with the national law applied by the designated Office, those paragraphs shall not apply in respect of that Office for as long as they continue not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by April 5, 2006. The information received shall be promptly published by the International Bureau in the Gazette.

Rule 82ter
Rectification of Errors Made
by the Receiving Office or by the International Bureau

82ter.1 Errors Concerning the International Filing Date and the Priority Claim

(a) If the applicant proves to the satisfaction of any designated or elected Office that the international filing date is incorrect due to an error made by the receiving Office or that the priority claim has been erroneously considered void by the receiving Office or the International Bureau, and if the error is an error such that, had it been made by the designated or elected Office itself, that Office would rectify it under the national law or national practice, the said Office shall rectify the error and shall treat the international application as if it had been accorded the rectified international filing date or as if the priority claim had not been considered void.

(b) Where the international filing date has been accorded by the receiving Office under Rule 20.3(b)(ii) or 20.5(d) on the basis of the incorporation by reference under Rules 4.18 and 20.6 of an element or part but the designated or elected Office finds that:

- (i) the applicant has not complied with Rule 17.1(a), (b) or (b-bis) in relation to the priority document;
- (ii) a requirement under Rule 4.18, 20.6(a)(i) or 51bis.1(e)(ii) has not been complied with; or
- (iii) the element or part is not completely contained in the priority document concerned;

the designated or elected Office may, subject to paragraph (c), treat the international application as if the international filing date had been accorded under Rule 20.3(b)(i) or 20.5(b), or corrected under Rule 20.5(c), as applicable, provided that Rule 17.1(c) shall apply *mutatis mutandis*.

(c) The designated or elected Office shall not treat the international application under paragraph (b) as if the international filing date had been accorded under Rule 20.3(b)(i) or 20.5(b), or corrected under Rule 20.5(c), without giving the applicant the opportunity to make observations on the intended treatment, or to make a request under paragraph (d), within a time limit which shall be reasonable under the circumstances.

(d) Where the designated or elected Office, in accordance with paragraph (c), has notified the applicant that it intends to treat the international application as if the international filing date had been corrected under Rule 20.5(c), the applicant may, in a notice submitted to that Office within the time limit referred to in paragraph (c), request that the missing part concerned be disregarded for the purposes of national processing before that Office, in which case that part shall be considered not to have been furnished and that Office shall not treat the international application as if the international filing date had been corrected.

Rule 91
Rectification of Obvious Mistakes
in the International Application and Other Documents

91.1 *Rectification of Obvious Mistakes*

(a) An obvious mistake in the international application or another document submitted by the applicant may be rectified in accordance with this Rule if the applicant so requests.

(b) The rectification of a mistake shall be subject to authorization by the “competent authority”, that is to say:

(i) in the case of a mistake in the request part of the international application or in a correction thereof—by the receiving Office;

(ii) in the case of a mistake in the description, claims or drawings or in a correction thereof, unless the International Preliminary Examining Authority is competent under item (iii)—by the International Searching Authority;

(iii) in the case of a mistake in the description, claims or drawings or in a correction thereof, or in an amendment under Article 19 or 34, where a demand for international preliminary examination has been made and has not been withdrawn and the date on which international preliminary examination shall start in accordance with Rule 69.1 has passed—by the International Preliminary Examining Authority;

(iv) in the case of a mistake in a document not referred to in items (i) to (iii) submitted to the receiving Office, the International Searching Authority, the International Preliminary Examining Authority or the International Bureau, other than a mistake in the abstract or in an amendment under Article 19—by that Office, Authority or Bureau, as the case may be.

(c) The competent authority shall authorize the rectification under this Rule of a mistake if, and only if, it is obvious to the competent authority that, as at the applicable date under paragraph (f), something else was intended than what appears in the document concerned and that nothing else could have been intended than the proposed rectification.

(d) In the case of a mistake in the description, claims or drawings or in a correction or amendment thereof, the competent authority shall, for the purposes of paragraph (c), only take into account the contents of the description, claims and drawings and, where applicable, the correction or amendment concerned.

[Rule 91.1, continued]

(e) In the case of a mistake in the request part of the international application or a correction thereof, or in a document referred to in paragraph (b)(iv), the competent authority shall, for the purposes of paragraph (c), only take into account the contents of the international application itself and, where applicable, the correction concerned, or the document referred to in paragraph (b)(iv), together with any other document submitted with the request, correction or document, as the case may be, any priority document in respect of the international application that is available to the authority in accordance with the Administrative Instructions, and any other document contained in the authority's international application file at the applicable date under paragraph (f).

(f) The applicable date for the purposes of paragraphs (c) and (e) shall be:

(i) in the case of a mistake in a part of the international application as filed—the international filing date;

(ii) in the case of a mistake in a document other than the international application as filed, including a mistake in a correction or an amendment of the international application—the date on which the document was submitted.

(g) A mistake shall not be rectifiable under this Rule if:

(i) the mistake lies in the omission of one or more entire elements of the international application referred to in Article 3(2) or one or more entire sheets of the international application;

(ii) the mistake is in the abstract;

(iii) the mistake is in an amendment under Article 19, unless the International Preliminary Examining Authority is competent to authorize the rectification of such mistake under paragraph (b)(iii); or

(iv) the mistake is in a priority claim or in a notice correcting or adding a priority claim under Rule 26*bis*.1(a), where the rectification of the mistake would cause a change in the priority date;

provided that this paragraph shall not affect the operation of Rules 20.4, 20.5, 26*bis* and 38.3.

(h) Where the receiving Office, the International Searching Authority, the International Preliminary Examining Authority or the International Bureau discovers what appears to be a rectifiable obvious mistake in the international application or another document, it may invite the applicant to request rectification under this Rule.

91.2 Requests for Rectification

A request for rectification under Rule 91.1 shall be submitted to the competent authority within 26 months from the priority date. It shall specify the mistake to be rectified and the proposed rectification, and may, at the option of the applicant, contain a brief explanation. Rule 26.4 shall apply *mutatis mutandis* as to the manner in which the proposed rectification shall be indicated.

91.3 *Authorization and Effect of Rectifications*

(a) The competent authority shall promptly decide whether to authorize or refuse to authorize a rectification under Rule 91.1 and shall promptly notify the applicant and the International Bureau of the authorization or refusal and, in the case of refusal, of the reasons therefor. The International Bureau shall proceed as provided for in the Administrative Instructions, including, as required, notifying the receiving Office, the International Searching Authority, the International Preliminary Examining Authority and the designated and elected Offices of the authorization or refusal.

(b) Where the rectification of an obvious mistake has been authorized under Rule 91.1, the document concerned shall be rectified in accordance with the Administrative Instructions.

(c) Where the rectification of an obvious mistake has been authorized, it shall be effective:

(i) in the case of a mistake in the international application as filed, from the international filing date;

(ii) in the case of a mistake in a document other than the international application as filed, including a mistake in a correction or an amendment of the international application, from the date on which that document was submitted.

(d) Where the competent authority refuses to authorize a rectification under Rule 91.1, the International Bureau shall, upon request submitted to it by the applicant within two months from the date of the refusal, and subject to the payment of a special fee whose amount shall be fixed in the Administrative Instructions, publish the request for rectification, the reasons for refusal by the authority and any further brief comments that may be submitted by the applicant, if possible together with the international application. A copy of the request, reasons and comments (if any) shall if possible be included in the communication under Article 20 where the international application is not published by virtue of Article 64(3).

(e) The rectification of an obvious mistake need not be taken into account by any designated Office in which the processing or examination of the international application has already started prior to the date on which that Office is notified under Rule 91.3(a) of the authorization of the rectification by the competent authority.

(f) A designated Office may disregard a rectification that was authorized under Rule 91.1 if it finds that it would not have authorized the rectification if it had been the competent authority.
